CE – Declaration of Conformity

Manufacturer: Murrplastik Systemtechnik GmbH
Dieselstrasse 10
D-71570 Oppenweiler

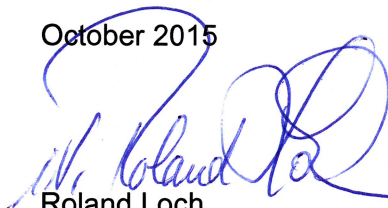

Type of Product: **Murrplastik
Conduits and Fitting systems**

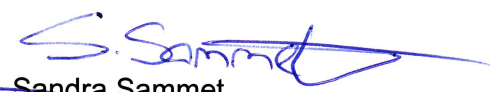

Product description: Conduits and Fitting systems were produced to protect cables and pipes against external impacts. Cable protection conduits, fittings and their accessories are coordinated and enable a fast and simple assembly.

Labeling: **CE**

We hereby declare that the installation of the above-named systems into electrical units, control cabinets and suchlike, will not restrict end products to become assigned for CE-certification.

October 2015
