

# EG-Konformitätserklärung

## EC-Declaration of Conformity

Dokument-Nr.: 8902803013  
*Document-No.:*

Hersteller: Murrplastik Systemtechnik GmbH  
*Manufacturer:* Fabrikstraße 10  
D-71570 Oppenweiler, Germany

Produktbezeichnung: **Murrplastik – ESD-Cable drag chains**  
*Name of Product:*

Beschreibung des Produkts: Cable drag chains (non-electric components)  
*Description of Product:* serve to dynamically guide energy carriers, such as cables and tubes, with designated bending radii or procedural parameters.

The process of conformity evaluation according to **ATEX-RL Directive 94/9 EC** has been performed pursuant to article 8 (1) b) ii) by participation of the authority indicated below:

DMT – Deutsche Montan Technologie GmbH  
Am Technologiepark 1  
D-45307 Essen, Germany  
Identifikations-Nr.: 0158

The corresponding records and documentation are on record there according to ATEX-RL Directives.

Gerätekenzeichnung:  
*Device Marking:*

The declaration of conformity applies only to the conception and manufacturing of the appliances cited above, according to ATEX Directive 94/9, EC in conformity with the harmonised standard DIN 13463-1: 2009

The operating manual pertaining thereto contains important safety information and regulations for the appropriation and initiation of MP cable drag chains according to ATEX-RL Directives.

We hereby confirm that the MP cable drag chains made from ESD material are in accordance with the designated directive cited above.

Oppenweiler, May 11, 2012

i. V. Dr. Klaus-Dieter Bier  
Technical Director

i. V. Helmut Jostmeier  
Product manager
